

THE STABLE

We make fresh sourdough every morning using organic grains from Shipton Mill in Gloucestershire. Then we hand-stretch the bases and top with homemade San Marzano tomato sauce.

But the true glory of a Stable pizza is our Glastonbury mozzarella – maybe it's the festival vibe, who knows, but it's pizza nirvana...

We always shop for the best ingredients. We buy Somerset lamb and beef, Suffolk chorizo, English Cobble Lane pepperoni and Cornish rapeseed oil and sea salt.

We love cooking with British ingredients and we love supporting local farms and jobs.
